Dear

ADVANCE NOTIFICATION OF DRAINAGE IMPROVEMENT SCHEME – A52 Main Road, Freiston

Work will start during week commencing Monday 13th September 2021 for up to six weeks, subject to weather.

This scheme aims to address areas that have had ongoing issues with surface-water flooding during periods of wet weather at Wainfleet Road (A52), specifically after the turning to Rochford Tower Lane and before the turning to Wythes Lane.

To help prevent this from happening in the future, this drainage improvement scheme will see the pipeline and outfall upgraded, along with the existing highway drainage network along the A52 Wainfleet Road, between SummerTime Cottage to RoundHouse.

To ensure the safety of our road users and our workforce, the following traffic management will be in place for the duration of the scheme:

- A52 Wainfleet Road reduced to a single lane
- Temporary traffic signals on A52 Wainfleet Road
- Speed limit reduction from 50mph to 30mph on the A52
- Closure of the existing footpath, with a temporary footpath located within A52 Wainfleet Road

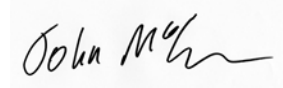

Where possible, access will be maintained to all properties. However, there may be times throughout the working day where this will not be possible.

I understand that these improvement works may cause some disruption and inconvenience for you, but we will be doing our very best to keep this to minimum and to complete the scheme as quickly as possible.

Should you have any specific needs or requirements or require further information, please do not hesitate to contact me on the telephone number given above.

In the meantime, you can find up-to-date information about roadworks in Lincolnshire at www.lincolnshire.gov.uk/roadworks.

Yours Sincerely

John McEvoy
for Head of Design Services
